Student And CO-OP: Information Technology And Engi

RE: Student And Co-op: Information Technology And Engi

Dear , Hiring Manager

I heard that Student and CO-OP: Information Technology and Engi was looking to hire a new Students I wanted to send you my application. Based on my background, I believe I would make a great addition to your team.

It is my goal to continue to learn and grow throughout my career, which is why I would like to work at your company. While I have developed a level of expertise in troubleshooting and problem resolution, team player and organized, there is so much more I want to explore and learn.

In reference to the gap in employment shown on my resume, I foster personal development, and bring a renewed perspective to my field of study.

I've attached my resume with additional details of my work experience and qualifications. If you have any questions, please feel free to contact me.

Sincerely,
Gavin Nguyen
